

Parliamentary Forum on Development Evaluation (APNODE) – Uganda

Hon. Evelyn Mpagi-Kaabule

2016

This map is part of a series of maps on the evidence-informed decision-making (EIDM) landscapes in different countries in Africa. The series comprises 25 maps and is available from the Africa Evidence Network. This is map 16 in the series. Maps were produced as part of the bursary conditions for attendance at Evidence 2016 (<http://evidenceconference.org.za/>). Bursaries were provided as part of the UJ-BCURE programme, funded by the UK's Department for International Development (DFID).
